

Dear families,

We are really looking forward to welcoming back the students who have signed up for Summer School next week.

On Monday students will be spending their day with Option A subjects: Art and Design, Business, Performing Arts and Sport. Those students who have Sport in block A and Performing Arts will need to come to school in their full PE Kit, as they will be doing practical elements during the day. Likewise, on Friday when block B Sport is taking place, students will need to be in full PE kit.

Students do not need to wear their school uniform throughout summer school but, clothing must be appropriate. Students completing Art and Food lessons can get messy!

The canteen will be open for students to purchase food at break and lunch time during their staggered breaks.

All of our hygiene measures remain in place from when Year 10 attended prior to the summer break. The one-way system is also remaining in place.

Students must arrive via the main gate, where they will be registered. They will then go to the Quad where they will be collected at 9am.

Each day will finish at 4pm and students will be released back through the main gate. Students are required to leave the site as quickly as possible.

Should you have any questions or queries, reception will be open from Monday.
